

Call for Program Proposals and Poster Abstracts

Foodservice Systems Management Education Council
2019 Conference

Sustainability and Culinary Applications in Foodservice Systems Management Education

Date: Sunday, March 10, 2019 – Tuesday, March 12, 2019

Place: Embassy Suites, Historic District

City: Savannah, Georgia

The Foodservice Systems Management Education Council announces a call for program proposals and poster abstracts. Program proposals and poster abstracts must be submitted by October 1, 2018, for peer review. Topics of program and poster presentations should be related sustainability and culinary applications in education of Foodservice Systems, Hospitality, or Dietetics, methods and/or research in foodservice management, preparation of students as future preceptors, career opportunities, recruitment activities, and student practice applications. Other topics of interest to the members will be considered.

The program proposal and poster abstract must include the following information:

1. Include full title of the presentation.
2. List author name(s), affiliation(s), and disclosures.
3. Identify the primary presenter's name and contact information.
4. Indicate if you are proposing a program or poster presentation, or if you would consider either format.
5. List the session objectives.
6. Include a description of proposed session and/or poster abstract (250 words maximum, excluding the title, session objectives and author information)

Please submit all materials by e-mail to rebeccalarson2@gmail.com in a PDF format by October 1, 2016. If you have questions or need clarification of this call for proposals, please contact Becky Larson at rebeccalarson2@gmail.com.

Thank You
